PASC October show big success

October's show was a really fun show! We welcomed some new barns and had some new faces in the show ring. So in an effort to grow even bigger and better we are implementing a new program for the month of November...Bring a new exhibitor to join PASC and show, and receive a free class. Just make sure that your new exhibitor writes your name on their membership form as a referral and you will receive one free class credit!

Also in November, we will be moving the hunter ring to the front lighted ring and the performance classes will be in the back. So your

barn assignments will be different next month. Make sure you get your proper assignment at check in!

On a sad note...PASC lost a very dear friend back in September. Debbi LeGette was a board member for MANY years and her smiling face was seen at ringside watching her daughter Taylor and most other kids in the hunter ring. She is greatly missed, but never forgotten. We at PASC would like to announce the addition of the Debi LeGette Memorial Challenge Trophy to our challenge show. This trophy will be given away at our annual challenge show in May, and awarded to

the same horse /rider combination accumulating the most points in the Hunter Ring. To qualify for a challenge class, an exhibitor must show in at least five classes at PASC. There is still plenty of time to qualify for the year end show!

Lastly, November we will be holding a canned food drive. Bring canned to be donated to a local food bank and help out some of our less fortunate neighbors.
