PASC would like to offer stalls to as many horses as possible. A limited amount of tack stalls will be available for the 2009-2010 Circuit. If possible, please share tack stalls with your show friends. If you need to cancel, please be considerate and notify us so the stalls may be used by other exhibitors.

Fax this form with your pre-entries to (954) 343-9805.

We will try to accommodate "stall with" request, however, it may not be possible. Stalls are on a first come, first serve basis.

If you have any questions, please visit our website at www.pasaddleclub.com or call (954) 655-2195.
