## PORTRAITS

*Portraits by*

*Jane Tilton  
Of BlackHorse Studio*

Portraits are offered on a first come first serve basis. Please visit Jane's website at: [www.blackhorseart.com](http://www.blackhorseart.com) to view her work. She has provided portraits for PASC for many years as well as creating our logo. Close-up head shots are required as well as photos showing any special markings. They are best taken while standing back and zooming in. Having your horse's head turned towards the camera, showing a bit of the opposite eye, will provide the artist with a good head angle to work from. If you want the mane to show, make sure your photos are from the mane side. Send photos of braids or a banded mane if you want the portrait made that way. If you want a bridle or halter, submit a photo of your horse wearing the appropriate headgear. By viewing her website you will get a good idea of the poses she likes to use. At least five photographs are suggested. Remember.....the likeness of your horse depends **entirely** on the quality of the photos you send. Take time to take good photos. You will be glad you did! Include name & phone number on back of each photo.

### **IMPORTANT: PHOTO SUBMISSION DEADLINE IS July 7, 2009.**

If you have your photos ready, please send them and this form immediately. You can submit the rest of your prize form by the due date. Each portrait takes time for the artist to complete. Therefore, the Board is offering the portraits on a first come, first served basis. **PLEASE SUBMIT PHOTOS EARLY!!**

If the artist is not able to complete your portrait before the banquet, you will be contacted and given the option of picking another prize or accepting a gift certificate at the Banquet stating the Award you will be receiving from Black Horse Studio at a future time.

All Watercolor and Pastel Portrait prices include Professional Framing so that your portrait will be ready to hang.
