PASC September show big success

We weren't joking when we said we had exciting things happening at PASC!

September's show started off beautifully, but the South Florida weather caught up to us and we had several lightning delays. That didn't dampen our spirits though and we waited out Mother Nature and finished most of the show day. "We all came to show!"

We also had a few new additions to our show. Brandon Ford and Ron Rubin donated their time and money and built some stellar jumps for our hunter course. The redwood log wall and standards with horse shoes, the green

roll top and the bamboo brush box all made our course challenging and exciting. Thank you Ron and Brandon, no more boring white fences for us!

Our next show date is October 17th and it is the greatly anticipated Halloween Horse show. We will of course have our stall decorating contest with a prize for best stalls 3 and under and best stalls 4 and over. We also will have our costume class with prizes going towards best group, best youth, best adult and best non horse costume.

We also have a jack o lantern carving contest. Bring your best jack o lantern to decorate our

hunter course. The best one receives a great prize.

So, there are no excuses for EVERYONE not getting into the spirit.

Let's all come out and have a

SPOOKTACULAR time!
